Subject: Niagara County Sites-Weston

Good Morning Tim:

How are you? I wanted to once again tell you how pleased I am with Weston personnel with our Niagara County Sites. The challenges of the sites were many but everyone at the site and in the office always took them on efficiently and professionally. As we close this chapter of this assessment/removal phase at the sites, I wanted to express that again.

In moving forward, we will still have a lot of technical work to complete. Organizing data products on the OneDrive, finalizing data products, validate data, completion of Holy Trinity Cemetery Action Memo, and enforcement research and historical document organization. With all of this work, I am requesting that Chad Conway work with the team. His experience on the site and his hands on work with the enforcement data so far is invaluable.

Thanks

Regards,
